The North American Life

is a strong and successful Company.

ITS STRENGTH IS PROVEN

by the figures to be found in the last Dominion Government Insurance Report, showing its ratio of net surplus to liabilities to exceed that of any other Home Company. Its financial position is not excelled by any other Company. Its success is shown by the splendid results paid under matured investment policies, such results not being exceeded by any other first-class Company on this Continent. . . .

ITS PLANS OF INSURANCE

are attractive and specially adapted to meet the requirements of all classes of insurers.

As an illustration: If you are age 40 and your wife 35, the Company will issue to you a policy, that in case your wife survive you she can have an income for life of $500 per annum. This guaranteed form of Life Annuity Contract will cost at the ages named an annual premium of $267—or, if the premiums be limited to 20 Payments, the annual cost would be $337; other ages at proportionate rates.

For further information write to the Head Office or any of the Company's Agents.

CLASSIFIED BUSINESS DIRECTORY.

☞ *Subscribers only are eligible for insertion in this part of the work. It is obvious that those who support it should be entitled to greater advantages than others.*

We have frequent complaints of certain parties who persistently borrow Directories of their more liberal neighbors. The only remedy is not to lend it. It is in the reach of every business man. Every man's name is found in the Alphabetical Directory.

PREFACE.

THE PUBISHER, in presenting his Tenth Annual Edition of the Hamilton Clasified Business and Niagara District Directory, believes that the book will prove very useful to both Hamilton and Csuntry residents. The compiler having lived here for the past twenty-nine years, and intimately knowing almost every business and professional man in the city, has been enabled to do thorough justice to all without fear or favor.

CITY OF HAMILTON

THE ELECTRICAL HUB OF CANADA.

THE City of Hamilton has a population of 52,000. It is beautifully situated at the head of Lake Ontario, on Burlington Bay, and has one of the finest harbors in the world. It is 40 miles from the City of Toronto, 45 from Niagara Falls on the Main Line of the Grand Trunk Railway, also the N. & N. W. Branch of the same road, running north, south, east and west out of the city. Besides this, trains for W. G. & B. and B. & T. Branches leave Hamilton each day. The Canadian Pacific and Michigan Central both run through Hamilton on the Toronto, Hamilton and Buffalo tracks, giving the city as good shipping facilities as any city on the Continent. The Hamilton and Dundas Electric Railway, Hamilton and Grimsby Electric Railway, Radial Electric Railway and others in the course of construction and the Hamilton Electric Street Railway, make Hamilton one of the most pleasant places to live in to be found in the Dominion.

The Cataract Electric Power Co. furnishes the numerous manufactories with electric power; and the proposed mammoth Hoefner Refining Co.; the Volta Storage Co.; the Hamilton Steel and Iron Works; National Cycle and Automobile Co. and others, will, with the present industries, make Hamilton the largest manufacturing city in Ontario, and at no distant date Hamilton will have a population of at least 75,000. The principal streets and pavements are of Trinidad asphalt. There are many lovely residences in all parts of the city; also two Incline Railways to carry farmers and others down and thousands of pleasure seekers up to the top of the mountain during the hot weather, from which a grand view of the city and surrounding country can be had.

The Public Buildings, such as the Court House, City Hall, Ontario Normal School, Market Hall, Post Office, Churches and Schools, also Public Parks, are as fine as can be had in the Dominion.

Our Markets are stocked with the choicest fruits and vegetables that can be grown, being situated as it is in the centre of the Fruit Garden of Canada.

All we ask is a hint as to how to get your business—we'll do the rest. Perhaps you want an estimate? We're always ready to figure ; telephone, mail or telegram at our expense reaches us ; anyway to get there. If there's any business stirring, we want to know it. What can we do for you?
